Going the Extra Mile

Owner's Manual Mobile App

All you want to know about your truck, at your fingertip

Owner's manual mobile app integrates the owner and warranty manual with tutorials video for the full range of UD Trucks. Whether you are a new owner or a customer who already runs a UD Trucks fleet, this application will bring great convenience to you and your business.

Access content offline   Image hotspots   Instructional videos   Warranty manual

Accessible anytime, anywhere.

Handy
Your owner's manual and warranty manual on your mobile.

Easy to use
Visual navigation makes it easy to find what you want to know about your truck, even when offline.

Up to date
Stay updated on latest features and contents.

Supports full range
Information available for All New Quon, New Quester, Croner and Kuzer.

Owner's manual, now available on mobile.

Easily learn your truck inside out

Right package to suit your needs

Understand your truck
An indicator on the dashboard turns on and you can't remember its meaning? Easily find out in the dedicated section and respond accordingly.

Safely start each journey, with a pre-check procedure
Follow the step by step pre-check procedure, ensuring you to not omit any safety element or unusual wear, to start your drive with peace of mind.

Information based on your needs
After entering the VIN of your truck, the app will automatically provide you with all the relevant information.

Access content offline
Your journeys may take you through areas with no signal. Download the manuals and access them without internet connection.

Instructional videos
Brought to you by UD driver trainers, instructional videos will help you to make the best out of the truck.

Warranty conditions
Anytime you need to check the warranty condition of your truck, easily find the information on the navigation bar.
